# 1. BUCKS PARTY DARES

This would have to be one of the greatest Bucks Games of all times. Bucks Dares are challenges the Groomsmen come up with prior to the Bucks Do which the Groom must accomplish during his day/night out!

Suggested dares include:

- Have a shot without using your hands
- Swap an article of clothing with a female
- Get a female to give you her knickers
- Ask for a female's phone number
- Find a female to practise the Bridal Waltz with
- Wear a bra on the outside of your clothes
- pinch five strangers' bums (male or female!)
- Get a piggy back ride around the bar
- Find a condom off a stranger and blow it up
- Do a sexy dance on a table
- Do a chicken dance around the bar
- Find a female with the same shoe size as the Bride to be
- Kiss the next man who walks into the room (on the cheek!)
- sing Whitney Houston's 'I will always love you'
- find a divorced lady and find out three things not to do so marriage works
- find a pole or column and work it like a stripper
- do a body shot
- ask a female to buy you a drink
- collect five females' business cards
- ask a female to put her lipstick on you
- get a group photo with all guests so last single night can be remembered!

## 2. HOW WELL DOES THE BUCK KNOW HIS BRIDE TO BE?

Before the Bucks Party make a list of questions to ask the Bride (make sure you get the answers!) so you can then ask the Groom to see how well he really knows the lady he is about to marry!!!

Here's some examples of questions to ask:

- What's her favourite colour?
- What was her first pet?
- What's her favourite flavour of ice cream?
- What's her shoe size?
- How old was she when she got her driver's licence?
- Where was she born?
- What's her favourite song?
- What is her favourite book?
- What is her favourite movie?
- What was her least favourite subject in school?
- Who was her childhood best friend?
- If she could take four people on a holiday who would they be?
- What's her nickname?
- What's her favourite sport?
- What's her favourite clothing item?
- Who's her favourite band?
- Who's her favourite sibling?
- How many ex boyfriends does she have?
- What's her favourite food?
- What is her favourite restaurant?
- What is her favourite holiday destination?
- What was her first job?
- What is her favourite quality about you?
- What is her favourite position (leave this up for interpretation! It could mean position at work, sport etc)

### 3. HOW WELL DO YOU KNOW THE GROOM

Prior to the Bucks do, the Groom makes up 20 or so questions about himself and prints them out to give to each guest. Everyone stands with drink in hand. One by one, each guest reads out the question and tries to answer it. If guest cannot answer it, anyone can before the Groom reveals the correct answer. The guest with the most correct answers wins. The Groom can keep all the questions with the answers as a keepsake.

Questions can include:

- Middle name
- Birth date
- Favourite TV show
- High school attended
- How many girlfriends had previously
- Shoe size
- Crush on which celebrity
- Craziest thing he ever did
- Who's the ring bearer
- How did the Bride to be and Groom meet
- Name he wants for first child
- Favourite music artist(s)
- Where going for honeymoon
- Pet name for bride-to-be
- Wife to be's pet name for groom
- Groom's worst habit
- Date and time of wedding
- Most hated food, favourite food
- How long have Bride and Groom been together
- Most prized possession etc

## 4. BACKYARD BARBIE

Having a Backyard Barbie is the easiest Bucks activity ever invented! Find a friend who has a great backyard for entertaining, grab the eskies fill with the best beers and drink you can find and then grab some food and away you go. Everyone can bring their own or have the groomsmen collect some money and go together to purchase everything.

Don't forget Backyard Barbies are a great place to have entertainment come to you .... whether you want backyard cricket, jelly wrestlers, strippers or just some good old karaoke, it can all happen in the Backyard!

## 5. CAMPING WEEKEND

What better way to spend your last weekend of freedom than a camping weekend with the boys. All you need is to find a camping ground, tents, beer, fishing rods and a portable BBQ! Head to the country or to the beach depending on the time of year. Leave on a Friday night for a two day escapade which will definitely be one remembered.

Camping weekends can be cost effective and relaxing which most people want these days. And for those wanting typical bucks entertainment for an extra fee most will travel ANYWHERE!

## 6. GO KART RACING

Go Kart racing is the latest craze for Bucks Parties with many Go Kart centres offering packages especially for Bucks Dos. Most offer drink prizes for the lap winners and the Groom rides free all day! The best ones we recommend for Bucks Parties are ones which are licensed and have catering so you don't have to worry about bringing your own in. It also means that you can make a day or afternoon of it and those who are too scared to rev their engines can watch and have a beer and still enjoy themselves. What better way for blokes to be competitive than race each other round in circles! Just make sure the Bucks ends up in one piece!

## 7. PAINT BALL

You want action? Get all the boys together for a competitive, adrenaline pumping, send-off for the buck. Once you have finished shooting each other with paint, you can re-live your glories with a BBQ and drinks. Many Paint Ball centres offer the use of their BBQ facilities free of charge.

Many Paint Ball centres specialise in Bucks Parties so have various packages including paint balls, open bar, pizza, entertainment etc. Depending on your budget, you will be able to find something which suits you. What are you waiting for, get your boys together now!

## 8. LAWN BOWLS

If you thought Lawn Bowls was for Gramps only then you are seriously wrong! Barefoot bowling is the trendiest social outdoor activity of the 20th century! The best part about lawn bowls parties is the price. For a great cheap day out with the lads then this is a great activity. You won't find drinks cheaper anywhere else, you can enjoy the great outdoors, the father in law can be present and no previous experience is needed!

## 9. PLAY DOUGH MOULD MAKING

All Bucks Party guests are given a tub of play dough in which they must create a life size model of the Bride to Be's parts! The Groom will then be the judge of who got it closest to the real thing! The owner of the sculpture most accurate will be deemed the winner.

# 10. TRUTH OR DARE

Everyone MUST play this game! Pre organise a list of questions for everyone to answer and a list of dares in case guests choose the dare over answering the question truthfully! Place them in a bowl (one bowl for questions and one bowl for dares). Each person is then asked the first question: Truth or Dare. If they select Truth then they must answer whatever question they pull out of the bowl truthfully. This can take courage depending on the question ... If the guest chooses a dare then they must pull out a dare from the 'Dare bowl' to attempt. Be creative with questions and dares and be considerate of the guests attending so make sure dares and questions are fun but realistic!

Example questions and dares include:

## **Questions:**

- When was your first kiss
- Have you ever committed a crime?
- Have you ever had a Back, sack and crack wax?
- Have you ever been with a female who hasn't trimmed
- What is the worst lie you have ever told?
- Have you ever been with a male?
- Have you ever gone skinny-dipping and with who?
- Have you ever been to a strip club
- What is the most embarrassing thing that has ever happened to you?
- Do you have any secret talents (like touching your nose with the tip of your tongue, lifting your leg to your head, making shapes with your pecker etc)
- What is the stupidest thing you have ever said?
- Have you ever cheated on a girlfriend?

- What is the meanest thing you have ever said or done?
- What is your wildest fantasy, and who does it involve?
- Have you ever had sex in public? Where?
- What is your partner's worst habit?

**Dares:**

- Flash to the group!
- Dance like an Egyptian
- Skull two shots
- Kiss a guest on the lips
- Sing the alphabet – backwards and in tune!
- Do 20 push ups
- Hop on one leg for one minute
- Take clothes off and run down the street in jocks
- Go out in public and sing 'Like a Virgin' at the top of lungs
- Call a friend, sing Whitney Houston's 'I will always love you' and hang up without a word
- Count to 50 dancing against a pole
- Stand out on the street and yell 'I am horny'
- Write a love letter to partner and read it aloud
- Take underwear off and go commando for the rest of the night!

## 11. BOOB CUP CAKE COOK OFF

This game is fun for all and everyone can be involved whether you can cook or not and is one of the few times you can choose how your boobs look!!! Pre purchase Bucks Party Shop's 'Boob Cup Cake Trays', and using any cake mix, bake some fresh breast delights (boob cakes can be made prior to guests arriving if time permits or else baking can be part of the game!). All guests need to ice and decorate their own individual boob, with the Groom judging the most creative and appealing boobie! The best part is all guests can eat their boob at the end!

## 12. ROCK CLIMBING

Rock Climbing is the perfect Bucks Party idea for those who want to do something adventurous, pace themselves during the day and then have some drinks later in the night. There are many indoor rock climbing centres in all states now or those who like the outdoors then there are some great places where you can make a full day of it. Experience is not always necessary as most places have an instructor to show you what to do and be there for moral support too! It may be nice to remember one part of the bucks party sober!

## 13. I NEVER ....

I Never – This is a classic game that everyone at the Bucks Party can join in! One person starts by saying, 'I never..' and then tells the group something they have never done. If anyone in the group has actually done it, then they have to drink. The game keeps going until everyone's had at least one go or until you find out everything you can about the group!

## 14. BANNED WORDS

Choose a list of words that cannot be mentioned during the duration of the Bucks Party. Make sure you choose common words so party guests can be caught using them! Every time someone uses a banned word they receive a 'punishment'. Punishments can include, a dare, pay a fine or skull a drink! This game can go all night, the longer the better!

## 15. UGLIEST PICTURE

Everyone has a photo of themselves/ loved ones they hate and wish they could make disappear, well this is the one occasion you need it to appear! Each guest has the job of digging up a not so nice picture of the Bride. You want to find the 'ugliest' one possible. Everyone then agrees on the worst and passes it onto the Groom. The Groom must go around and show everyone he meets who he is marrying! Very entertaining and guaranteed lots of laughs!

## 16. INDOOR CRICKET

Loosen your drinking arms with a friendly game of Indoor Cricket. This activity is great for during the day when you want something laid back before hitting the town later in the night.

You can make it as competitive as you like or just play for fun. Many centres won't allow you to drink alcohol and play but they offer catering and the cost split between the party guests can make it a very cost effective day out. Don't forget to get some fun novelty prizes for the winning team, best batter and best fielder etc!

## 17. BUCKS SCAVENGER HUNT

Make the Groom go on a Scavenger Hunt! Make a list of items that the Groom has to collect during his Bucks Party. Suggested items include:

- Female's business card
- lipstick
- Undies – a pair of full briefs and g string
- bar staffs phone number
- \$5 note from a girl with her autograph signed on it
- Condom
- Drink coaster from every place visited

## 18. POST IT NOTE GAME

Great Ice Breaker Game! Everyone at the Bucks Party receives a post it note and pen. All guests have to write something they know or remember about the Groom. Post it notes are then stuck on the wall so Groom cannot see who has written what. Groom then pulls them off one by one and has to try and guess who wrote it and then tells the story of where it came from.

Topics can be anything and may include past girlfriends, dates, holidays, school, uni stories, and family, absolutely anything!!!

19.

## PIN THE BOOB ON THE BABE

Like the traditional Pin the Tail on the Donkey this game works the same except instead of the picture of a donkey you blow up a picture of the Bride (make sure her arms and hands are intact!). Grab some coloured paper and cut in circles/ boob shapes. One at a time, a guest is blindfolded and must try to pin some paper boobs onto the Bride's chest in the picture. The winner is the person who pinned their boobs closest to where they would really hang!

20.

## PUB CRAWL

Choose 3-4 of the Groom's favourite pubs and then start at one for lunch and continue on to the next throughout the day and so on. Plan activities/ entertainment at each of the pubs so there is something to look forward to and purpose to move on. As a Pub Crawl goes for along duration it means that those guests who can only come during the day or night or small portion are able to and no one misses out!

## 21. WORD SCRAMBLE

Grab a few beers, make a list of words related to bucks parties, ladies, weddings, engagements etc and then scramble up the letters of each word and put onto a piece of paper. Once all words are written down scrambled on individual pieces of paper, place in a bucket/ bowl. Each guest then needs to pick out a word and try to unscramble it. The one who guesses the most correct words is deemed the winner, every wrong guess you receive a penalty.

## 22. GOLF

Golf would have to be a Bucks Day tradition. Either grab the lads for a 9 or 18 hole session. A morning tee off allows for lunch or a post game drink in the club house. There are many Golf packages available and there is sure to be a Golf Club member within your group who may be able to get a steal of a deal!

Many packages include Lunch and Golf Bunnies (lovely dressed up ladies in bunny outfits serving you and the boys all day!)

Don't forget to use our 'sexy tees' to add a bit of fun and grab some prizes to give out throughout the day. Another idea is to get printed polos so you stand out on the course as the Bucks Crew!

## 23. HORSE RACES

The races are a great day out for hens and bucks parties. If you are lucky enough to be in Melbourne for the Spring Racing Carnival and the wedding falls around the same time then there is no better activity than to spend the day at the race track with your best mates, family and friends. You do not have to have a flutter but the best fun would be to set up a car park (someone will need to be a racing club member usually) and that way you can buy guest tickets, bring in a carload of food and grog and set up for the day.

Many don't even see a horse at the races as they are too busy socialising and having a good time with their mates!

## 24. HANGING OUT TO DRY

Each guest is given a clothes peg on arrival to the Buck's Party. Guests are told of two words they cannot mention the entire night i.e. 'wedding' and the Bride's name. If they say the forbidden word, they have to give their clothes peg to the person who caught them mentioning the forbidden word. The person who has the most clothes pegs at the end of the party wins the prize!

## 25. SAILING

Sailing Clubs specialise in Bucks Party Packages. You can usually set sail on a 2-3hr cruise. You can try Sailing, Boom Netting, play games or just relax. Many will allow you to bring your own music, entertainment and DVD's if you wish!

Most packages will include Drink and Catering and of course life jackets!

## 26. POKER NIGHT

Poker is a fun game and screams Bucks Party Activity! There are many companies who organise Bucks Party Poker Tournaments and they can either be set up and played at your venue of choice including your own house/ apartment or you can go to one of their venues. Each Tournament is usually specifically designed and tailored to your needs, includes professional dealers, casino quality tables, cards and chips.

For those who have never played before, most professional poker companies will provide someone to give a quick poker 101 lesson so everyone can join in.

For those who have no interest in heading out for a raucous day or night and want something a lot less mellow then there's nothing better than a boys weekend away fishing.

It makes it even more ideal if someone in the group has a holiday house as that way you can head there for the weekend and bring your own booze and food. Don't forget your rods!

Fishing is a super relaxing past time and as there is usually quite a bit of time in between catching the fish, it makes a great opportunity for everyone to get to know each other.

Don't forget you can always have the entertainment come to you no matter where you are. Get a trophy for the prize catch and cook the fish for dinner on the BBQ!

For those with no friends with a holiday house, you can always rent one for the weekend or hire a boat for the day or for those who like everything done for them then you can also organise chartered fishing tours which take Bucks Groups and not only do they catch fish but you can go Crab and Squid catching too. Just make sure the Groom showers before being brought back to his mrs to be!

## 28.

## TEN PIN BOWLING

Looking for an activity to break up the day then Ten Pin Bowling is a quick and great one! The best part about Ten Pin Bowling is you don't need previous experience, anyone can have a go, young or old!

Many Ten Pin Bowling places have special event packages which include games, shoe hire, drinks and food.

There are now Glow in the Dark Ten Pin Bowling places as well as ones with Bars so grab a drink and go for a strike!

## 29.

## BUCKS KARAOKE

Everyone loves karaoke! This can be done with a small or large group and is often best incorporated at the latter part of the evening. Choose 2 or 3 songs for the Groom to sing and don't forget a group song and what about a duet with the father in law! Song choice is important! Great examples are..... 'I'm too sexy', 'Billie Jean', 'I will always love you', 'Going to the Chapel...'. The options are endless!

VEGAS VEGAS VEGAS what more can be said about Vegas, it is the party capital of the world.

For those who have friends who are not so cash strapped then plan a weeks trip on Vegas' famous strip.

There are casinos galore, clubs galore, drink specials galore, bucks and hens parties galore, shows galore as well as shopping galore. If the Groom wants a sleepless last week before tying the knot then Vegas is a must.

Again packages are available including flights and accommodation but we recommend doing it all yourself online to take advantage of the best bargains!
